Dear Sir/Madam,

Application For Full Stack Developer Internship Placement

With reference to your advertisement in Indeed on 6th of May 2022 I am interested in applying for the above position as an IT intern. This is because this post matches my expertise and skills. Your advertisement for this post draws my attention. The role described is exactly the kind of opportunity that I have been looking for. As such I would like to apply for this position. I am confident that you will be convinced that I am the right candidate after you have read this letter. I am an internship student. I am pursuing Bachelor Degree in Information Technology major in Information System, UNITEN.

I am proficient in the skills in HTML, CSS, PHP, C++, Java, MySQL, mobile application and Firebase. I would consider my strengths to be my written and verbal communication skills, my high attention to detail and my ability to always be well organized. I am a hard worker with an enthusiastic attitude and a loyal disposition. I work well in a team and capable of taking initiative and working unsupervised. I can speak well in English.

I am enclosing my resume as you requested. With my training and experience, I know I can contribute to your company, and I would like to speak to you about it in person. You can reach me at: 012-6349706 and my email is srreruba67@gmail.com.

Thank you

Yours faithfully
